Celia Cole, one of the foremost experts on children's literature in WA is coming to Newman College, Lavalla Campus on **Wednesday 18th November** to talk to parents. She has spoken to the parents at the Marian Campus in Term 3 and we are delighted to have her return to the school and speak to the parents of the older children about the importance of reading.

She is a passionate book lover who is highly respected in her field and wants to share her enthusiasm about books and reading with parents. She gives an inspiring and humorous book promotion talk with suggestions of great reads for children that will instil in them the desire to read for life.

Celia believes that every child is special! The right book at the right time can open up a whole new world for them and for you! Please come along to hear Celia talk about her passion : the love of reading and books.

Please fill in the attached slip to show your interest in attending as numbers are limited. The presentation will take place at 9am on Wednesday 18 November 2009.
